

API 5CT P110 steel casing pipe on sale

API 5CT P110 steel casing pipe serves to transport both crude oil and natural gas from oil and gas layer to the surface pipeline after drilling is completed. It is able to bear the pressure produced by the exploitation process. After the outer surface is coated with a protective layer, API 5CT P110 steel casing pipe is marked in accordance with the API 5CT standard and strapped with metal belt.

The application of API 5CT P110 steel casing pipe:

It goes down the deepest into the well among other types. However, the price is comparatively high, as well as the quantity of usage is comparatively few. API 5CT P110 steel casing pipe is mainly used in a particular surroundings and when the drilling depth extends to a particular level.

API 5CT P110 Casing Tubing Chemical Composition, mass fraction (%)

Grade	Type	C		Mn		Mo		Cr		Ni	Cu	P max.	S max.	Si max.
		min.	max.	min.	max	min	max	min	max	max	max			
2	3	4	5	6	7	8	9	10	11	12	13	14	15	16

API 5CT P110 steel casing pipe Inspection:

Physical properties are checked and each length hydrostatically tested, normally to only 3,000 psi in the plain end (unthreaded) condition.

The following are also checked:

Dimensions

Weights

Straightness

Lengths

Part of this inspection is to drift all lengths.

API 5CT P110 steel casing pipe Packaging:

In compliance with the regulation of SY/T6194-96, the domestic API 5CT P110 steel casing pipe should be strapped with steel wire or belt. The protection ring should be screwed on the exposed part of the thread of each casing pipe and its coupling to well protect the thread.

Welcome to contact katalor if you are looking for supplier of API 5CT P110 steel casing pipe. any question of API 5CT P110 steel casing pipe can be send to katalor. we will have great advantage on replying your all kinds of problem.

Office Address: Room 301, Unit 6, lane 2500, xiupu Road, Kangqiao Industrial Area, Pudong New District, Shanghai

Shanghai Katalor Enterprises
ONCE BELIEVE, TRUST FOREVER!

Email: info@katalor.com
