

GB/T 8163 Q345D seamless steel pipe for structural purpose on sale

In order to ensure the performance homogenization of GB/T 8163 Q345D seamless steel pipe for structural purpose, we need to strictly control the annealing temperature, heat preservation time and cooling speed of GB/T 8163 Q345D seamless steel pipe for structural purpose. (1) Strictly control the annealing temperature of GB/T 8163 Q345D seamless steel pipe for Conveyance of Fluid. (2) appropriate heat preservation time. If the holding time is too long, it will lead to uniformization of GB/T 8163 Q345D seamless steel pipe for structural purpose, which is not conducive to spheroidizing. (3) Accurately control the cooling rate. The cooling rate of the spheroidizing annealing does not affect the shape of the pearlite, but it determines the dispersion of carbides and thus determines the hardness after annealing.

The application of GB/T 8163 Q345D seamless steel pipe for structural purpose:

GB/T 8163 Q345D seamless steel pipes are used For manufacture of pipelines, vessels, equipment, pipe fittings and steel structures.

GB/T 8163 Q345D seamless steel pipe for structural purpose chemical properties (%):

C	Si	Mn	P	S	Cr	Ni	Cu-	V
<0.18	<0.55	1.00-1.60	<0.025	<0.020	<0.3	<0.3	<0.3	0.02-0.15

GB/T 8163 Q345D seamless steel pipe for structural purpose Mechanical Properties:

Tensile strength,min	Yield strength,min	Elongation,min
470-630Mpa	325 Mpa	21%

GB/T 8163 Q345D seamless steel pipe for structural purpose specification :

OD: 10.3mm-965.2mm

Wall thickness 1.0mm-120mm

Length: 5-12m

MOQ: 10 Metric Tons

With powerful financial strength, advanced managerial concept, excellent marketing service, strict quality control system and integrated marketing team, we would like to develop together with your hand in hand. Adhering to the operation principle of "faith first and clients foremost", we always supply high quality GB/T 8163 Q345D seamless steel pipe , complete after-sales service and favorable prices. We sincerely hope to establish long-term cooperation with you on the basis of mutual benefits, reciprocity and common development. Welcome to contact us if you are looking for GB/T 8163 Q345D seamless steel pipe on sale.

Office Address: Room 301, Unit 6, lane 2500, xiupu Road, Kangqiao Industrial Area, Pudong New District, Shanghai

Shanghai Katalor Enterprises
ONCE BELIEVE, TRUST FOREVER!

Email: info@katalor.com
Tel: 0086-21-61182423

specialized in manufacturing and exporting steel and casting product. Based on the domestic rich product resources and professional research on international market, Katalor's service has already spread many countries in Europe, America, Southeast Asia, Middle East, South America, Africa, and so on.
